Subject: CORRECTION Re: Rosemont Strauss to Joyner letter options (ACTION for Jeannie)

A brief chat with Jason as we were both walking out the door this evening reminded me that I neglected, in my edits, to correct one inappropriate word choice that appears in all three versions of the letter. In the following sentence in the next to last paragraph, the word "cannot" should be replaced with "will not":

Deliberative Process / Ex. 5

Forest Service does not, itself, need the permits, but the 2013 draft of the ROD (p.62 if I remember correctly) indicated that Forest Service would require the proponent to secure the 404 permit, and Forest Service repeatedly told us they would not sign the MPO unless and until a 404 permit is issued.

Jeannie, please make this correction in all three versions of the letter first thing Monday morning, and send the corrected options back out to the recipients of this message.

Thanks, and sorry for the oversight.
